

Jazzy[®]

SELECT 14 XL

Jazzy[®]

SELECT

The highly manoeuvrable Jazzy[®] Select™ delivers the advantages of in-line motor technology for enhanced efficiency, torque, range, and performance. Plus, it's loaded with performance and convenience features, like standard Active-Trac[®] Suspension, that make it as easy to enjoy as it is to use.

The Jazzy[®] Select™ 14 XL delivers the advantages of patented mid-wheel drive for manoeuvring in tight, compact spaces.

The Jazzy Select 14 XL is loaded with performance and convenience features like a powerful 60 amp PG VR2 controller and on-board battery charger.

The information contained herein is correct at the time of publication; due to the Pride's commitment to constant improvement and development, they reserve the right to alter specifications without prior notice. Theoretical range is calculated under test conditions in accordance with European standards. Actual range in normal use will depend on many factors, including the condition of the vehicle and its batteries, the weight of the driver, correct tyre pressure, ambient temperature, and the gradient and surface of the road or pavement.
